ORDER:-

In the G.O. 1st read above, Govt. have accorded administrative approval for an amount of Rs.1,28,65,000/- for the mechanical repairs and replacement to vertical turbine pumps at stage-I, stage-II & stage-III pump houses of chagalnadu Lift Irrigation scheme in East Godavari District. The technical sanction was accorded for an amount of Rs.1,25,00,000/-.

2. The Engineer-in-Chief (Irrigation), Hyderabad in his letter 2nd and 3rd read above has reported that Tenders were called for the above work on 'e' procurement platform by the Superintending Engineer, Irrigation Circle, Dowlaiswaram. He has submitted the Tender Evaluation report that the two tenders received through online were disqualified. In view of non availability of suitably qualified bidder, if the Tenders called again, there is no guarantee that there would be proper response and the works cannot be completed by the July-August 2012 as the procedure involves 2-3 weeks time. In this regard, the Engineer-in-Chief (Irrigation), Hyderabad has informed that the above said pumps were manufactured, supplied, erected and commissioned by M/s Kirloskar Bro's Ltd. In view of the urgency and non availability of experienced contractors, it is proposed to entrust the above repairs of the Lift Irrigation Scheme to M/s Kirloskar Bro's Ltd, as the water is to be released for the ayacut for Khariif 2012 season. The agency M/s Kirloskar Bro's Ltd have informed that M/s Flow Technics D.No.47-9-31, 3rd lane, Dwaraka nagar, Visakhapatnam-530016 is their authorized dealer with necessary service backup for all their products and requested to place the order on M/s Flow Technics and assure that M/s Kirloskar Bro's Ltd shall supply spares and extend Technical support in execution of the above work.

3. Meanwhile Govt. in the memo 4th read above have accorded permission to entrust the work of dismantling of 3 pumps at stage-1, stage-II and Stage-III Pump Houses of Chagalnadu Lift Irrigation Scheme, in East Godavari District to M/s Flow Technics, the authorized dealers of M/s Kirloskar Bro's Ltd., at the estimated rate of Rs.3.97 Lakhs (Rupees three lakhs and ninety seven thousand only) to get the actual details of repairs and replacements after verification of AP Genco and I&CAD Department.

P.T.O.

4. Further the Engineer-in-Chief (Irrigation), Hyderabad has reported that the price quoted by M/s Kirloskar Brothers Ltd is Rs.128.18 Lakhs, towards supply of spares and service charges. He has also stated that the Price quoted by the agency is 2.545% excess over Technically sanctioned amount (which is inclusive of 5 % VAT and 12.36 % Service tax). He has requested to accord permission to place supply order & work order in the name of M/s Flow Technics, the authorized dealer of M/s Kirloskar Bro's Ltd, since the pumps/motors have been designed, manufactured & commissioned by M/s Kirloskar Bro's Ltd, and it is to be treated as a proprietary manufacture specific for which no other manufacturer would be available for taking up major repairs & replacements.

5. In view of the circumstances stated above Govt. after careful examination hereby accord permission to Engineer-in-Chief (Irrigation), Hyderabad to place supply order & work order to M/s Flow Technics, the authorized dealer of M/s Kirloskar Bro's Ltd, and doing the job with their full support. The payment of 80% shall be made after supplying material i.e., spare parts etc., and the remaining 20% after erecting and successful testing, duly meeting the expenditure from the administrative sanction accorded vide G.O. 1st read above.

6. The Engineer-in-Chief (Irrigation), Hyderabad shall take further necessary action accordingly.

7. This order issues with the concurrence of Finance (W&P) Department vide their U.O.No.3185/F7(A1)/2012, Dt.03-10-2012.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
